

Install Guide

Amino Amigo Box

1. Power off your TV and any devices connected to it.
2. Connect the included HDMI cord to the back of the Amigo box, then connect the other end to the HDMI port on your TV.

3. Connect the power cord to the back of the box and the other end to an electrical outlet.
4. Turn on your TV. Using the source or input button on the remote that came with your TV, find and select the HDMI port you plugged the Amigo box into.
5. If you are prompted to sync your Amigo remote, press and hold the "APPS" and "OK" button simultaneously for 3 seconds – the STB key will flash.
6. A message will display on the TV screen confirming that the remote has paired.
7. You will be prompted to select your Wi-Fi network and enter your Wi-Fi password. Select 5GHz on your home's wireless network when prompted.
8. The Google Sign in Screen will appear; select "Skip" and press "OK" to continue. You can either enter your Google ID now or later.
9. The Google Terms of Service will display on the screen; select "Accept" and press "OK".
10. Select "Yes" on the location screen and press "OK".
11. The next screen will display with all the apps selected. Select "Install all the following apps" and continue.
12. On the Welcome Screen, press the Select Arrow to the right three times to learn features of the Amigo 7x.
13. Select "Done" and press "OK" to continue.
14. Highlight "Begin" and press "OK" to finalize pairing the Amigo with your TV.
15. The NDTc Stream IT TV login screen will be displayed. Enter your username and password you were given when you signed up, and select "SIGN IN" and press "OK".
